

Short-Term Stay

"Le Médaille d'Or" provides you with the opportunity of a short-term stay. Your convalescence will enable you to regain your health while taking advantage of all necessary services for a prompt recovery.

My Home

Did you know that one of the key features of "Le Médaille d'Or" is to provide its guests with complete freedom in a safe and totally secure environment. The site was carefully chosen based on its proximity to the main roads.

Different size apartments remain at your disposal based on your requirements, and each one is equipped with an emergency call button and motion sensors for your security.

The Pharmacy

One of the many advantages offered by "Le Médaille d'Or" is the pharmacy service located on site. A devoted team of pharmacists work in collaboration with our personnel and can fill your prescriptions immediately following a medical visit.

Our establishment offers...

Products to maintain autonomy such as security and home services.

We are becoming an important partner in maintaining and improving the quality of life of the elderly in Argenteuil...

...a promising and peaceful haven.
